Subject: Meeting on Numeric Nutrient Standards

Good morning

We have setup a meeting with MDEQ, EPA, MLCT, and industry members to discuss the final topics needing clarification on September 19th at 10:00. Shari will be meeting with Tina and Jeff Blend on Wednesday to discuss economic variances for communities, especially less than 1 mgd. George will provide us with the location of the room. I look forward to meeting and hopefully resolve our final concerns.
